

EAACI RESEARCH AND CLINICAL FELLOWSHIP AWARDS 2013

Application Deadline: 31 January 2013

We would like to remind you that the application deadline for the EAACI Fellowships 2013 is 31 January 2013. We strongly encourage you to take this opportunity and apply now!

The EAACI Research Fellowship Awards are funded in order to enable EAACI Junior members and Affiliates (JMAs) to carry out specific research in a clinical research or basic research unit in another European country. The duration of the EAACI Research Fellowship is 3, 6 or 12 months. Applications are to be submitted by 31 January 2013. Find more information [here](#).

The EAACI Clinical Fellowship Awards are funded in order to enable EAACI Members in training or recently specialised in allergy and clinical immunology to carry out clinical projects or to obtain training in a clinical unit in another European country. The Clinical Fellowships will be prioritised to clinicians early in their career, and are not intended for well-established specialists. The duration of the EAACI Clinical Fellowship is 3 months. Applications are to be submitted by 31 January 2013. Find more information [here](#).

We are looking forward to receiving your application.
