

IDF EUROPE LONG-STANDING ACHIEVEMENT AWARD IN DIABETES 2016 CATEGORY: ASSOCIATION

REWARDING EXCELLENCE, INNOVATION AND COMMITMENT IN DIABETES

Since 2012, The International Diabetes Federation European Region (IDF Europe) has recognised excellence, innovation and commitment in diabetes through the IDF Europe Prizes in Diabetes. To continue with this important appreciation, IDF Europe is again sending out calls for nominations for the above category.

Do you know of an **OUTSTANDING ASSOCIATION** dedicated to improving the lives of people with diabetes and those at risk in your country?

IDF Europe would like to reward them for their long-standing achievement and their contribution to the fight against diabetes.

Nominate to the IDF Europe Long-Standing Achievement Award

What does the Award consist of?

- The opportunity to showcase the work of the Association to the world diabetes community through IDF Europe and IDF communication channels
- Being invited to present your work at the IDF Europe Regional Meeting (25-27 November, Lisbon, Portugal)¹ and at the World Diabetes Congress (4-8 December 2017, Abu Dhabi, UAE)²
- 7.000 EUR to be donated to the charity of your choice
- Prize Money of 2.000 EUR
- A commemorative plaque and a certificate
- The Award ceremony will take place during the IDF Europe Regional Meeting

Nominating Criteria

- The Association must be nominated by a peer
- The Association must be based and active in Europe
- The Association must be involved in education, support and multidisciplinary healthcare activities targeted at people with diabetes
- The Association must have a track record of a significant impact on a local, national or European level

To Nominate

- Download, fill in and send: the IDF Europe Long-Standing Achievement Award nomination form; a short essay (500 words max.) from the nominating peer explaining the achievements of the nominee; and an activity report (last two years) to prizes@idf-europe.org by **20 September 2016**

Applicants will be notified of the decision of the Selection Committee by **10 October 2016**

IDF Europe is an inclusive and multicultural umbrella organisation of 70 national diabetes associations in 47 countries across the European region, representing people living with diabetes and healthcare professionals. Through our activities we aim to influence policy, increase public awareness and encourage health improvement, as well as promote the exchange of best practice and high-quality information about diabetes throughout the European region.

**International
Diabetes Federation
Europe**

¹ A representative of the winning organisation will receive the Award (travel and accommodation will be covered by IDF Europe)

² IDF Europe will contribute towards travel, accommodation and registration expenses for one representative
