

The newsletter is specifically created for you, our active member societies and partners, to stay up to date with what's going on at ISE. We would be delighted if you could share our news in your society's communication channels. If you would like us to share your news with the global endocrine community, send your proposals at office@isendo.org

ISE UPDATES

Deadline 15th December: Submit your proposals for clinicians and researchers to join the Early Career Committee of ISE

Dear Colleagues,

As you are aware ISE is now seeking its Members societies nominations to constitute a new committee of early-career clinicians and researchers: the Early Career Committee (ECC) of ISE.

Therefore we would like to involve you in this process and ask you to provide **a minimum of one and a maximum of three names of young endocrinology practitioners and-or researchers.**

EDUCATION UPDATES

The Second Webinar of ISE in partnership with the **World Alliance of Pituitary Organizations (WAPO)** is taking place in December

ISE is organizing a joint Webinar in partnership with the World Alliance of Pituitary Organizations (WAPO) on the topic:

Two Key Opinion Leaders will talk about the common symptoms of Adult GHD, the lack of consensus on the preferred diagnostic model, the common controversies around starting dosages and much more! You are invited to join and share the news of the Webinar with your society's members!

If you would like to cooperate with ISE on educational activities and joint webinars, you can contact us at office@isendo.org
