

Allergy Research Today

Guidelines for abstracts

- Abstracts must be written **in English**
- Abstracts should be sent as a Word document containing:
 - **Title**
 - **First and last names of authors** (with reference for affiliation)
 - **Affiliation(s)**
 - **E-mail address** of the corresponding author
 - The abstract should explain **the aim** of the investigation, indicate **the experimental approach**, including **the species** used, describe **the results** obtained, and state **the conclusions** drawn.
 - **Maximum 250 words.**
- Tables and figures are not allowed
- Abstracts **will not be published.**

Abstracts should be submitted by email to ART_abstracts@margauxorange.com before March 3, 2020
