

**Acute
Cardiovascular
Care Association**
A Registered Branch of the ESC

Acute Cardiovascular Care Association

**EUROPEAN
SOCIETY OF
CARDIOLOGY®**

Dear ACCA Local Champions,

It is with great pleasure that we invite you, today, to become a key player in the success of ACCA's annual congress, **Acute Cardiovascular Care 2015**, due in Vienna on 17-19 October.

As an esteemed partner in the development of our association, we would be honoured of your presence during the ACCA Summit scheduled on **Saturday 17 October** morning within the congress venue.

The focus of this meeting will be the development of an active network of professionals involved in acute CV care across Europe with a common mission to be defined, in which local or general needs can be openly debated. Also, we would like to discuss the creation of a European network of ICCUs.

In view of this meeting, **you will benefit from a free registration to the congress.**

Please confirm your presence by return email to acca@escardio.org before **September 29th**

To further enhance our collaboration in our joint mission to *"To improve the quality of care and outcomes of patients with acute cardiovascular diseases"*, we would like to give you the unique opportunity to **register individuals in your own network to Acute Cardiovascular Care 2015 at the special fee of 400 euros.**

This represents a unique opportunity for your network to benefit from a discount (up to 50%).

To apply for this special fee, you must group at least 5 individuals, and these contacts should be **newcomers** to the Acute Cardiovascular congress (not yet registered and not attended the congress since 2012). Indeed, with this initiative, we encourage you to help us **expand the reach of the Acute Cardiovascular Care Association within Europe.**

Please note, this initiative does not apply to cardiologists under 35 who can register at the reduced fee (310-355€).

Applications open now until **October 9th! How can you be a part of it ?**

1. Send the message out to your communities!
2. Gather names and basic information on the excel template (attached to this letter)
3. Send us the contacts (minimum 5)
4. We will register and invoice them directly

We can help you spread the message! Do not hesitate to ask us for promotional items (flyers, weblinks, programmes): contact euroACCsecretariat@escardio.org

Join us on this journey to an outstanding, record-breaking Acute Cardiovascular Care 2015 congress!

We look forward to welcoming you in Vienna!

Prof. Hector Bueno
