

International Society of Cardiovascular Pharmacotherapy

XVIITH ANNUAL SCIENTIFIC CONGRESS OF THE ISCP
ADVANCES IN CARDIOVASCULAR PHARMACOTHERAPY 2012
BUCHAREST, ROMANIA

4 AND 5 MAY 2012

Congress Venue: Pullman Bucharest World Trade Center

Dear colleague,

We are delighted to invite you to join us in Bucharest, on 4 and 5 May 2012, on the occasion of the 17th International Congress of ISCP. The venue of the meeting will be the Pullman Bucharest World Trade Center and the scientific sessions this year will be devoted to **recent advances in cardiovascular pharmacotherapy**. We have devised a very interactive programme with ample time for questions and answers and there will be also moderated poster sessions. ISCP invites young researchers to submit their work in abstract form for consideration for the Young Investigator Awards (which will be given to the three best posters). Please see more information regarding the scientific programme, registration details, Young Investigator Awards, travel, hotel accommodation and other general details on the ISCP website <http://www.iscpcardio.org> or contact the Congress Secretariat at congressISCP2012@uncvnr.ro

We truly look forward to welcoming you in Bucharest in May!
