

New Frontiers in Basic Cardiovascular Research 2012 France- New EU Members Meeting

Second Announcement

Dear friends and colleagues,

on behalf of organizing committee let me invite you to participate on 10th New Frontiers in Basic Cardiovascular Research: France - New EU Members Meeting.

The meeting will be held in Hradec Králové, Czech Republic, 12th - 15th June, 2012 with a thematic subtitle: From Basic Cardiovascular Research Towards Effective Therapeutics.

There is a link to the conference website where you may find further information:
<http://www.newfrontiers2012.cz/>

Although we have received a Small Grant support from Visegrad Fund and we are currently applying for support from INSERM, there will have to be a low conference fee (60 Eur). Accommodation will be booked and paid individually.

Registration and abstract submission will be opened on 5th March 2012 and will be processed on-line via the conference website. Deadline for registration and abstract submission will be 8th April 2012.

We are looking forward to see all of you in June in Hradec Králové, Czech Republic to enjoy cutting edge science, wonderful atmosphere of our university city and attractive social program.

Best regards

Martin Sterba
