

Subjects:

PTH IN CONGENITAL HEART DISEASE

RIGHT-SIDED HEART FAILURE

RARE DISEASE WORLD DAY

Events organized by the Heart House Sibiu in collaboration with

ULB

SRC

FRI

ISHF

February 26th, 2016, Amfiteatrul Mare ULB

13.45 **Opening ceremony**

I.M.Coman, I.Manitiu , P.Porr

PTH IN CONGENITAL HEART DISEASE

14.00 Session I ***Congenital heart disease – general information***

Chairpersons: I.Manitiu, G. Doros

1. Congenital heart disease: epidemiology
Madalina Urluescu, Sibiu
2. Congenital heart disease: classification
R. Enache, Bucharest
3. Congenital heart disease: genetics
Claudia Bănescu, Tg. Mures
Case report - M. Simion, Bucharest, Iasi
4. Realities and Perspectives in Romania
Gabriela Doros, Timisoara

15.15 Session II ***Advanced techniques in diagnosing CHD***

Chairpersons: R. Ciudin, Anca Sglimbea

1. Indications for transesophageal echocardiography
I.M.Coman, Bucharest
2. Advantages and limits of cardiac magnetic resonance imaging
Ruxandra Jurcut, Bucharest
3. Particularities of invasive assessment in CHD
Anca Sglimbea, Târgu Mureş
4. Electroanatomical mapping in the analysis of congenital dysrhythmia
R. Ciudin, Bucharest
Case report - Timisoara

16.30-16.40 Coffee break

16.40 Session III Surgical Treatment of CHD

Chairpersons: M. Barsan , [H. Suciu](#)

1. The surgery of cardiac malformations in the newborn
M. Sandica, Berlin
2. Surgical correction in cyanotic congenital diseases of the child
H. Suciu, Târgu Mureş
3. The surgery of aortic root in congenital lesions
V.Costache, Sibiu
4. Correction of secondary tricuspid regurgitation in congenital heart disease
A.Iosifescu, Bucharest

18.00 Session IV Interventional therapy of CHD

Chairpersons : I.M.Coman , [V. Velcev](#) / Andreas Eicken

Conference: Andreas Eicken , Munchen

Case report: P. Platon, Bucharest

Round table: Anca Sglimbea , K. Florescu , Eliza Cinteza , P. Platon, A. Eicken

20.00 Cocktail

8.30 Session V *The road to PHT*

Chairpersons: I Ghiorghiu, M. Toringhibel

1. Shunt congenital heart disease: a synthetic glance
Rodica Toganel, Târgu Mureş
2. Natural history of CHD. Non PHT complications
M. Toringhibel, Constanta
3. Pathophysiology of PHT in congenital patients
I.Ghiorghiu, Bucharest
4. Secondary PHT in CHD with right-sided heart dysfunction
I.Manitiu, Sibiu
Case report
Alexandra Gherghina, Brasov

Symposium organized in collaboration with ISHF

Function and dysfunction of the right ventricle

09.45 Fundamental aspects

Chairpersons: C. Ginghina , M. Sandica

1. Anatomical aspects of the right-sided heart
C. Pantu , F. Filipoiu, Bucharest
2. Physiological particularities of the right-sided heart in children
Gabriela Doros, Timișoara
3. Adaptation to overload; RV hypertrophy and dysfunction: mechanisms and consequences
Carmen Ginghina, Bucharest
4. RV adaptation particularities in Eisenmenger syndrome
Roxana Enache, Bucharest
5. Invasive aspects of the right-sided heart hemodynamics
Andreas Eicken , Munchen

11.00 -11.10 Coffee break

11.10. Assessment and therapy (clinical aspects)

Chairpersons: Ali Yilmaz, O. Chioncel

1. Echographic assessment of the RV function
Ruxandra Jurcut, Bucharest
2. CMR assessment of RV function
Ali Yilmaz ,Munster
3. The "classic" drug therapy: a big question mark
I.M.Coman, Bucharest
4. Procedures and implantable devices in the therapy of rhythm and conduction disorders
R. Ciudin, Bucharest
5. Acute right-sided heart failure
O. Chioncel, Bucharest

12.30 -13.30 GENZYME SYMPOSIUM

Chairpersons : M. Puiu , A. Marchian

Presentations : Ruxandra Jurcut , Ana Fruntelata

13.30-14.00. Lunch break

14.00 . Session VI *The diagnosis of PHT in congenital patients*

Chairpersons : C. Ginghina , R. Toganel

1. Classification of PHT in congenital patients (ESC 2015)
Ioana Tilea, Viena
2. Clinical aspects
Rodica Toganel, Târgu Mureş
3. The non-invasive diagnosis
Carmen Ginghina, Bucharest

4. Cardiac catheterization

V. Velcev/Tilea

Case report, Ioana Tilea , Sadushi-Kolici Roela

15.15 Session VII **PHT therapy in CHD**

Chairpersons : *M. Bogdan* , I. Coman

1. The new guidelines for PHT – The therapeutic algorithm

M. Bogdan, Bucharest

2. Novelties in specific medication

I.M.Coman, Bucharest

3. Correction of the defects in patients with established PHT

Ioana Ghiorghiu, Bucharest

4. Lung transplantation / heart-lung transplantation

H. Suciu /Gaspar

Case report, Cristina Gavrilă, Bucharest

16.30 Session VIII **My patient with PHT – case reports**

Chairpersons: Ioana Ghiorghiu, Liban

Anticoagulation dilemmas - Theodora Radu, Bucharest

1. Case report - Liban

2. Case report - Bulgaria

3. Case report - Szeged

18.00. Closing ceremony

February 27th, 2016 The Heart House

The Heart House is "Mărțișor House"

Sell out

Exhibition stands of CIS' activities

Rare Disease World Day

09.30 Romanian registries, studies and experiences

Chairpersons: P. Porr , M. Puiu/Timisoara

1. Hematology. Hemophagocytic lymphohistiocytosis
R. Mihaila, Sibiu
2. Gastroenterology
P. Porr, Sibiu
3. Cardiology. Fabry disease
Ruxandra Jurcut, Bucharest

10.15 -10.35 Master Class

Neuromuscular disorders –an update

Ali Yilmaz , Munster

10.35 - 11.45 Round table

Chairpersons: M. Puiu, Dorica Dan

Participants: Ruxandra Jurcut , A Marchian, Timisoara

11.45 -13.00 Patient's Associations presentation. Discussions

Chairpersons: Dorica Dan , A Marchian

Participants: B. Burduja , Sibiu , Fabry , Vl. Stanescu

Rare Disease World Day

1. Conference :

“Congenital patient’s psychology “

Exhibition stands :

FRI , ACC ,

PHT Patient’s Association

PROTCARD

2. Press Conference

Kindly, the Heart House, according to Romanian tradition, offers you a little “Mărțișor”
