To: Presidents and National Representatives of EFLM National Society Members

Call for nominations for 1 Young Scientist Member for the EFLM Working Group "Register"

Dear President and National Representative,

Following on from the integration in 2016 of EC4 into EFLM, a new Working Group "Register" has been formed under the chairmanship of Dr. Inez-Anne Haagen to take on many of the functions of EC4's Register Commission.

Nominations are invited from EFLM National Society Members for:

- ❖ 1 Young Scientist Specialists in Laboratory Medicine (EUSpLM) ≤ 35 years, to act as **Young Scientist Member**, willing to support the chair of the group in the following:
 - to adjudicate applications to hold the title *European Specialist in Laboratory Medicine (EUSpLM)*
 - to grow the Register
 - to support the Profession Committee in its strategy to achieve recognition of Specialists in Laboratory Medicine

From our perspective a key priority for this group will be to grow the Register of specialists as a standard bearer of high quality practice hence we will welcome nominations for individuals who share ambitions to promote the Register and increase the number of registrants.

The term of office will be for 2 years ending on 31 December 2018. The position could be renewable for other two more terms upon advice of the Committee Chair and continuing support from the National Society. The work is mainly conducted by e-mail and teleconferencing, the WG usually meets once per year.

Procedure for applications

Each EFLM National Society Member in good standing with the membership fee can submit one nomination through the attached application form. A brief plan of the applicant's contribution to the aims and objectives of the relevant Working Group has to be included in the form. Together with the application, a short CV should also be submitted underlining the qualifications and prior experience and publications in the relevant area. Candidates have to be officially recommended by their National Society through a formal letter of support. Applicants who are not selected as full members may be eligible for corresponding membership. The candidate has to be ≤ 35 years.

Nominations have to be electronically submitted to the EFLM Office: Silvia Cattaneo - e-mail: silvia.cattaneo@eflm.eu within the deadline of **15 April 2017**.

We look forward to hearing from you.

With kindest regards,

Gilbert Wieringa

Chair of the EFLM Profession Committee

cc: Dr. Inez-Anne Hagen – Chair of the WG-Register
