ERBP Guidelines on Transplantation

Over the last two years, a working group of the European Renal Best Practice under the chairmanship of Daniel Abramowicz has established guidance on the evaluation and preparation of the donor and recipient of kidney transplant in the pre- and peri-operative period. This guidance has now recently been published in a special issue of Nephrology, Dialysis and Transplantation, after intensive external review and validation.

New survey on NDT-Educational

Nutrition is an important part of chronic kidney disease care. Every CKD stage has nutritional and metabolic features, including the dialysis and transplant stages. For this reason Prof. Denis Fouque (Council member) has launched a [survey](#) on NDT educational (Editor in chief: Prof. Michel Jadoul). This survey will enable users to test their knowledge in pre-dialysis CKD stage 3 to 5. The results will be published in NDT-Educational.

FERA: Distinguished Fellow for the Sake of the European Nephrology

Being active in the life of the Association is indeed one of the benefits and merits of many ERA-EDTA members, who voluntarily decide to devote part of their daily schedule to promote, enhance and support its initiatives.

In 2011, a special recognition was set up by ERA-EDTA to reward persons who have been very active in the initiatives and life of the ERA-EDTA, as well as in the clinical and research fields regarding nephrology and its related subjects: the FERA (Fellow of the European Renal Association) award.
