ERA-EDTA proudly presents: The Winners of the Fellowship Programme 2014

The ERA-EDTA Fellowship Programme recognizes young investigators' and clinicians' excellence. Research Fellowships are intended for advanced training through research and/or promoting research collaboration between two institutions. Clinical Fellowships are intended for training in specific clinical techniques. Following the call for fellowship, with July 1 as deadline for submission, the following fellows have been selected:

Job Opportunities' Section

Suggestions coming from ERA-EDTA members is very important to ERA-EDTA. Most the all the ones coming from the young ones! For this reason, answering the call of young doctors, the ERA-EDTA is happy to host on its official website a '[Job Opportunities' Section](#) where important info on job opportunities throughout Europe is already being advertised.

Donate to the ERA-EDTA – for education, for research, for the young!

ERA-EDTA is one of most important and fastest growing nephrological Association worldwide the objective of which is the advancement of medical science and of clinical work in nephrology, dialysis, renal transplantation, hypertension and related subjects. The Society aims at providing up-to-date knowledge, exclusively based on scientific data, independent from governments' policies and from any influence of the industry. Dedication as well as funds are needed to persue these important goals. If you want to participate in this important challenge you might consider making a donation and supporting the manifold projects of the ERA-EDTA.
