New Co-Chair of ERA-EDTA Scientific Advisory Board (SAB)

The SAB elected C.A. Wagner (Switzerland) as its new Co-Chair. Prof. Wagner was born in 1970 and as such, apart from the Chair of the Young Nephrologists' Platform Board, is one of the youngest elected people in a relevant position of the ERA-EDTA committees.

The ERA-EDTA would like to thank Prof. Heini Murer for his precious assistance and meticulous work serving the SAB (first as ordinary member and then as Co-Chair) since 2009.

Emotional dimensions of receiving a donor kidney – this study evaluated the emotional stress of donor kidney recipients. Interesting findings were that recipients of a living kidney transplant expressed more guilt towards the donor than recipients of a deceased donor transplant. These patients also suffered more often from clinically significant levels of anxiety. [Read more](#)
