1st ANNOUNCEMENT

**5th Meeting of
Orthopedic Subspecialty Associations
&
2ND AAOS-TSOT Educational Course**
April 21-25, 2010
Susesi Hotel, Antalya/TURKEY

Dear Colleagues,

The "5th Meeting of Orthopedic Subspecialty Associations" will take place on April 21-25, 2010, at the Susesi Hotel in Antalya, Turkey. This is a biannual meeting that is organized with the participation of Turkish Arthroplasty, Foot and Ankle, Ilizarov, Musculoskeletal Tumors, Pediatric Orthopedics, Trauma and Spine Associations.

This meeting will also include the "2nd American Academy of Orthopedic Surgeons-Turkish Society of Orthopedics and Traumatology Educational Course." This course will be held with the participation of distinguished AAOS teaching staff members Dr. Andrew Pollak (Trauma), Dr. Craig J. Della Valle and Dr. Kaye Wilkins. Dr. Pollak will act as Course Director. The course language is English. The first course was very well received by our colleagues and we look forward to a fulfilling second course. The course topics are as follows:

Arthroplasty:

Instructional Course Lecture: State of the art in unicompartmental knee replacements. Speaker: Dr. Craig J. Della Valle

Symposium: Topic: Revisions in hip arthroplasty

1. Common causes for revisions in hip arthroplasty .
2. Selection of implants in hip revisions.
3. Management of bone loss.
4. Management of infected hips. Dr. Craig J. Della Valle

Case Discussion Session: Topic: Revisions in knee arthroplasty. Members: Dr. Craig J. Della Valle and three local members

Trauma:

Instructional Course Lecture: Management of tibial plateau fractures. Speaker: Dr. Andrew N. Pollak

Symposium: Topic: Management of proximal femoral fractures

1. Femoral neck fractures.
2. Trochanteric femoral fractures.
3. Subtrochanteric femoral fractures: Dr. Andrew N. Pollak
4. Complex proximal femoral fractures.

Case Discussion Session: Topic: Complex lower extremity injuries. Members: Dr. Andrew N. Pollak and three local members

Pediatric Orthopedics:

Instructional Course Lecture: Don't throw away the cast! Nonoperative management of pediatric fractures. Speaker: Dr. Kaye Wilkins

Symposium: Topic: Supracondylar humerus fractures

1. General overview.
2. Conservative treatment of supracondylar humerus fractures.
3. Surgical treatment of supracondylar humerus fractures.
4. Complications of supracondylar humerus fractures. Dr. Kaye Wilkins

Case Discussion Session: Topic: Complex foot problems. Members: Dr. Kaye Wilkins and three local members

We look forward to bringing together colleagues from AAOS, Turkey, neighbouring countries and members of the orthopedic industry for this exciting meeting and course, in the wonderful coastal city of Antalya. We also hope that meeting participants will enjoy a delightful social program.

Sincerely,

Prof. Dr. Erdal Cila
Conference President

GENERAL INFORMATION

DATE AND VENUE

The 5th Meeting of Orthopedics Subspecialty Associations will be held on April 21-25, 2010 at the Susesi Hotel in Antalya.

LANGUAGE

The official language of the Meeting is Turkish.

REGISTRATION AND INFORMATION DESK

Registration and Information Desks will be open between April 21 and 25, 2010, from 08.30 till 18.30.

NAME BADGES

All participants and accompanying persons are required to wear their name badges during their entrance to the Convention Center, the scientific sessions, at the exhibition and poster areas and other scheduled social activities to ensure the safe and smooth flow of the Meeting.

CONGRESS BAGS

Will be given to all registered participants at the Registration and Information Desks.

CONGRESS WEB SITE

Announcements, required application forms and up-to-date information about the congress are available at the following web site: www.ortopedibulusmasi2010.org

TSOT / AAOS EDUCATIONAL COURSE

The course will be held at a format jointly determined by TSOT and AAOS. The participants will be asked to fill out separate evaluation forms about the course. A certificate of attendance will be given to the participants of the TSOT / AAOS Educational Course.

ACCREDITATION

Our Meeting will be awarded credit points for Continuing Medical Education (CME) by the Turkish Medical Association. TMA-CME Forms regarding these credits should be filled and submitted to the Registration Desk.

TECHNICAL SUPPORT UNIT

All the halls will be equipped with laptops, slide projectors and standard sound systems. Speakers will not be allowed to make their presentations from their laptops and they are required to submit their presentations to the Slide Check Room. Slide machines and overhead projectors will not be used at the halls throughout the Meeting.

EXHIBITION AREA

The participating companies will be able to exhibit their products at the space allocated to them during the Meeting. The exhibition will be open to visitors throughout the Meeting.

INVITATION LETTER

Invitation letters can be sent to registered participants to facilitate their attendance to the Meeting, upon request. This is only intended to help potential participants who need to obtain a visa or a permission from their affiliated institutions in order to attend the Meeting and does not imply a commitment to provide any financial support.

CERTIFICATE OF ATTENDANCE

A "Certificate of Attendance" will be provided for all registered participants at the conclusion of the Event at the main Registration Desk.
