Travelling Fellowship Slovenia – Fall 2007

Dear Presidents, Dear General Secretaries,

We are happy to announce the upcoming EFORT Fall Travelling Fellowship 2007 which will be held in Slovenia from **21st October – 28th October 2007**.

Further Information is available in the preliminary program, such as the Scientific Program, accommodation, etc, which you will find attached to this letter. A detailed program containing e.g. meeting point, accommodation, social events and a list of the other participating fellows will be released as soon as possible and will be sent to your attention.

We kindly ask you to nominate your candidate who will be participating to the Travelling Fellowship **by latest 26th of July 2007**. We would appreciate; if you could send us her/his full contact information and ask her/him to complete the attached master CV (Curriculum Vitae).

By nominating one candidate for the EFORT Fall Travelling Fellowship, you help us achieving our main goal for the Fellowship which is:

To enhance and unify orthopaedic training, continuous medical education and knowledge transfer among Europe.

The former Travelling Fellowships were very appreciated by all the Fellows. We think that it is a great opportunity for our young colleagues to create new personal bonds and to improve mutual understanding, collaboration as well as unity of all National Associations of Orthopaedics and Traumatology in Europe.

In our point of view this is an excellent chance for the fellows and it is our duty to support them.

PRESIDENT
Prof. Dr. Wolfhart Puhl

EFORT - JOINT EFFORTS

Please do not hesitate to contact us directly, if you need further information. We look forward to a excellent Travelling Fellowship and would like to thank SOS – Slovenian Orthopaedic Society - and especially Dr. Janez Brecej for organizing the EFORT Fall Travelling Fellowship.

Beside the EFORT Travelling Fellowship I would like to remind you, that EFORT offers another Fellowship to young and active European Colleagues – the EFORT Visiting Fellowship. The nominated Fellows have the possibility to choose an orthopaedic host institution for a maximum stay of 4 weeks. Each of these Fellowships is sponsored by EFORT with € 500.- to cover partly travelling, housing and feeding expenses.

The selection of these Fellows should be done by the National Society, nominating the candidate to EFORT together with his choice of the host institution and a proposed programme for the visit. EFORT will help with the organisation of the general agreement between the host institution and the Fellow. All details should be organised directly.

Both Fellowship programs are great opportunities to support our colleagues and should be considered carefully!

I am looking forward to receiving your nominations for the Travelling and Visiting Fellowship and I would like to thank you for your collaboration.

With my best regards,

Prof. Miklós Szendrői
Chairman Prizes & Travelling

Larissa Welti
Scientific Secretary
