WELCOME

On behalf of the organizing committee, it is a great pleasure and honor for me to invite you to the 8th CEOC in Pécs. The city of Pécs will be the Cultural Capital of Europe in 2010. The 8th CEOC will be a very good occasion not only to meet and discuss the most current controversies, emerging technology, and latest surgical techniques in the management of ortopedic diseases and traumatic conditions, but also to enjoy the very interesting cultural programs of a "borderless city" Pécs. Looking forward to welcoming you next year in Pécs!

Main topics

Reconstructive surgery of major joints
Acute and chronic sports injuries
Conservative orthopedics
Biotechnology and tissue transplantation in orthopedics
