

Masterclass

Difficult Primary and Revision Hip

Skills Enhancement - Hip

Hotel Silvanus
Visegrád, Hungary
10-11 October 2018

 ZIMMER BIOMET
Institute™

Masterclass

Our continuum of education offers a vast range of opportunities to health care providers to learn, interact, understand and share knowledge about our products, services and about surgical philosophies through a variety of modalities.

We know you are good. And we know you are eager to become even better. Get those real-time problem-solving deep-dives with Skill Enhancement by the Zimmer Biomet Institute!

The specific course objectives include:

- Identify current challenges in complex primary and revision hip
- Discuss different surgical approaches
- Review infection treatments
- Explain acetabular and femoral surgery treatment

The Zimmer Biomet Institute wishes you a valuable and enjoyable training with us.

Zimmer Biomet Institute

LEARN. INTERACT. UNDERSTAND. SHARE.
