Questions – Further input/feedback

- Modell for co-operation among different/overlapping congress activities
- Integrate national/regional/European needs in psychiatry, facilitate co-operation
- Asking for EPA – NPA's support, feedback including further themes, suggestions, contributions of the topics to be presented during the EPA-NPA's day (27th of May, 2015)
- We can offer for NPA's: wave the registration fee for one representative for each NPA for the whole conference, we can offer food as compliment for 27th, Friday.
- Any chance to get further financial support from EPA?
- Any comments, suggestions, etc well-come!
