# WELCOME TO EPA 2022

**EPA 2022**

**30th European  
Congress of  
Psychiatry**

The **30th European Congress of Psychiatry**, organised by the largest association of psychiatrists in Europe, will take place on **2-5 April 2022** in the beautiful and historical city of Budapest, Hungary.

**Linking Clinical Practice and Research for Better Mental Health Care in Europe.** This will be the guiding motto for the next edition of the EPA Congress.

An opportunity to engage with state-of-the-art clinical tools, to expand the frontiers of research, explore innovative ideas for mental health care and prevention with a community of global professionals and stakeholders in the field of psychiatry and mental health care.
