

## - WEBINAR RECORDING -

### **A Collision of Pandemics: Diabetes Mellitus and COVID-19 A JOINT ISE AND ISN INITIATIVE (CME/CPD Accredited)**

The first of the webinar series by the International Society of Endocrinology (ISE) and the International Society of Nephrology (ISN) addressed **the impact of COVID-19 on patients with Diabetes Mellitus and the association of COVID-19 and kidney disease in those countries hardest hit by the pandemic.**

**NOW AVAILABLE:** Access a CME-CPD accredited online activity around the content of this webinar session and get access to the webinar recording on the ISE Global Education Hub through the link below:
