The newsletter is specifically created for you, our active member societies and partners, to stay up to date with what's going on in the global endocrine community. We would be delighted if you could share our news in your society's communication channels. If you would like us to share your news with the global endocrine community, send your proposals at [office@isendo.org](mailto:office@isendo.org)

## ISE UPDATES

### SAVE THE DATE: ISE General Assembly

**Dear Members of the International Society of Endocrinology,**

As you already know our International Congress of Endocrinology ICE 2020 is being transformed into a virtual meeting that will take place in February 2020.

The ISE General Assembly Meeting which is held every 2 years will still be organized in October 2020 as originally planned. Due to the current circumstances and the inability to gather together live, the meeting will be virtual as well.

**Therefore we would like to invite the President, Secretary or alternative representative from your Society to be present at the ISE General Assembly on 20<sup>th</sup> October, Tuesday.**

**To confirm your presence to the General Assembly and receive details how to join the meeting, register on the link below!**

Do not forget to add it to your Calendar! We look forward to getting in touch with you and hope to hear you then!
