The newsletter is specifically created for you, our active member societies and partners, to stay up to date with what's going on in the global endocrine community. We would be delighted if you could share our news in your society's communication channels. If you would like us to share your news with the global endocrine community, send your proposals at office@isendo.org

ISE UPDATES

Message from Margaret Wierman, ISE Chairperson 2020-2022

Dear Colleagues and Friends,

It is my great honor and privilege to become the new Chair of the International Society of Endocrinology as of this October following the tenure of Andre Lacroix, Chairperson of ISE from 2016 to 2020...

ISE PARTNERS

We would like to welcome the newest partners in the ISE Network with which we are excited to start working and collaborating over different activities and projects! Learn more about them below:

MedGlobal provides free, sustainable healthcare services to refugees, the displaced, and most vulnerable in crisis areas and low resourced countries worldwide. ISE will collaborate with MedGlobal to respond to the world's humanitarian crises through different outreach and education activities.
