

Dear Friends,

On behalf of the EFRS board and officers I would like to wish you all a merry Christmas and a 2012 full of professional and personal success.

2012 will be challenging for our Federation, once several projects will come to their final stage while others are being set up, showing a permanent activity inside our young EFRS.

Thanks to each one of you for making all possible.

Best Regards

Graciano Paulo
President

European Federation of Radiographers Societies
