#### **IUNS Position Statement**

#### **Against Using Food, Hunger and Starvation as Weapons of War**

In our [Vision Statement](#), IUNS recognizes that *‘To live a life without malnutrition is a fundamental human right.’* Aligned with this, international humanitarian law [prohibits](#) “attacking, destroying, removing, or rendering useless objects indispensable to the survival of the civilian population” and the [use of starvation as a method of warfare](#).

***IUNS strongly condemns the use of food as a weapon of war.***

If you have news or an event that you would like to share with our Adhering Bodies, Affiliated Bodies, associated organizations, and the wider nutrition science community, please contact the IUNS Secretariat.
